## **There Coins In The Fountain**

Three coins in the fountain Each one seeking happiness Thrown by three hopeful lovers Which one will the fountain bless

Three hearts in the fountain Each heart longing for it's home There they lie in the fountain Somewhere in the heart of Rome

Which one will the fountain bless Which one will the fountain bless

Three coins in the fountain Through the ripples how they shine Just one wishwill be granted One heart will wear a valentin

Make it mine, make it mine Make it mine, make it mine
