

## Wanted

Al Martino

Wanted, someone who kissed me  
And held me closely, then stole my heart  
Wanted, someone I trusted  
Who gave no warning we'd ever part

She was last seen hiding out in someone's arms  
He knew nothing of the danger in her charms

A jury may find her guilty  
But I'd forgive her if I could see  
A signed confession that she's repented  
And really wanted no one but me
