

# I Don't Believe You

Al Stewart

I can't understand  
She let go of my hand  
And left me here facing the wall.

I'd sure like to know  
Why did she go, but then  
I can't get close to her at all.

Though we kissed through the wild blazing nighttime  
She said she'd never forget.

But now morning is clear  
Its like I ain't here  
She acts like we never have met.

Its all new to me  
Like some mystery  
It could even be like a myth.

Yes its hard to think on  
That she's the same one  
That only last night I was with.

From darkness dreams are deserted  
Am I still dreaming yet?

Oh, I wish she'd unlock  
Her voice once and talk  
'Stead of acting like we never met.

If she ain't feeling well  
Well then why don't she tell  
'Stead of turning her back to my face.

Mmm, without any doubt  
She just seems too far out  
For me to return to or chase.

Though the night ran swirling and whirling  
I remember her whispering yet.

But evidently she don't  
Evidently she won't  
She just acts like we never have met.

If I didn't have to guess  
I'd gladly confess  
To anything I might have tried

If I was working too long  
Or have done something wrong  
Wish she'd say what it is I'll run and hide.

Though her skirt it swayed as the guitar played  
Her mouth was watery and wet

But now something has changed

For she ain't the same  
She just acts like we never have met.

Mmmm, I'm leaving today  
Gotta be on my way  
Of this I can't say too much.

But if you want me to  
I can be just like you  
Pretend that we never have touched.

And if anybody should ask me  
Is it easy to forget?

Why its easily done  
You just pick anyone  
Pretend that you never have met.
