

## Jackdaw

Al Stewart

I'm running away  
On a day like today  
Nothing you say  
Could cause me to stay  
Jackdaw (jackdaw)  
Leaving by your back door  
Should be gone by now  
Should be gone by now  
Should be gone by now

Don't try to follow  
Just leave it alone  
The trains have all left now  
And the station is closed  
Jackdaw (jackdaw)  
Leaving by your back door  
Should be gone by now  
Should be gone by now  
Should be gone by now

It's five in the morning  
And it's rainy and cold  
Just go back to sleep now  
And you won't see me go  
Jackdaw (jackdaw)  
Leaving by your back door  
Should be gone by now  
Should be gone by now  
Should be gone by now
