

# Gimme All Your Love

Alabama Shakes

So much is going on  
But you can always come around  
Why don't you sit with me for just a little while?  
Tell me, what's wrong?

If you just gimme all your love  
Gimme all you got, baby  
Gimme all your love  
Bit more

So tell me what you wanna do  
You say the world, it doesn't fit with you  
Why don't you talk to me for just a little while?  
I can only try to make it right

If you just gimme all your love  
Gimme all you got, baby  
Gimme all your love

Give me all your love  
Give me all you got, baby  
Give me all your love
