I got something cookin' and I'm boilin' way down deep While I'm hot and bothered why don't you give me what I need Your kind of lovin' really hits the spot The things you're doin', baby, make me want what you got

So get it, get it, get it while it's hot, get it while it's hot, yeah

Yeah so get it, get it while it's hot, get it while it's hot

Well, standin' here beside you, I can really feel the heat I feel your body tremblin' from your head down to your feet I know my mind is in it but my body's almost shot If you want my lovin', babe, better get it while it's hot

Yeah get it, get it while it's hot, get it while it's hot, get on oh oh

```
Get it, get it, get it while it's hot
Get it, get it, get it while it's hot
Get it, get it, get it while it's hot
Get it, get it, get it while it's hot
```

```
Get it, get it while it's hot
Get it while it's hot
Get it, get it while it's hot
Get it while it's hot
Get it, get it while it's hot
Get it while it's hot
Get it, get it while it's hot
Get it, get it while it's hot
Get it while it's hot
```
