

How Do You Fall In Love

Alabama

How do you fall in love
When do you say "I do"
When is the perfect time
To spend the rest of your life
Now seasons may come and go
Sometimes it rains and snows
And there will be highs and lows
So only you will know

You never know just where it will find you
'Cause it can come on you so fast
Or seems like it takes forever
When you want it so bad
But don't ever take it for granted
'Cause it's more than sowing some seeds
It takes sun and water
So give it what it needs

That's how you fall in love
That's when do you say "I do"
That's when you know its time
To spend the rest of your life
Now seasons may come and go
Sometimes it rains and snows
And there will be highs and lows
So only you will know
And there will be highs and lows
So only you will know
