

# How Do You Fall In Love

Alabama

How do you fall in love  
When do you say "I do"  
When is the perfect time  
To spend the rest of your life  
Now seasons may come and go  
Sometimes it rains and snows  
And there will be highs and lows  
So only you will know

You never know just where it will find you  
'Cause it can come on you so fast  
Or seems like it takes forever  
When you want it so bad  
But don't ever take it for granted  
'Cause it's more than sowing some seeds  
It takes sun and water  
So give it what it needs

That's how you fall in love  
That's when do you say "I do"  
That's when you know its time  
To spend the rest of your life  
Now seasons may come and go  
Sometimes it rains and snows  
And there will be highs and lows  
So only you will know  
And there will be highs and lows  
So only you will know
