

I Ain't Got No Business Doin' Business Today

Alabama

I'm gonna call up my boss and tell him I'm ill
Gonna tell him I'm home, with the fever and chills
I don't usually lie but for your sweet love I will
I need it so.

We won't be disturbed, the phone's off the hook
And when it comes to lovin' woman, you wrote the book
And I just saw that I want you look and that's all it took.
Well I...

Ain't got no business doin' business today
My little woman wants to stay home and play
Right in her arms is where I will stay
'Cause I ain't got no business doin' business today.

Well the boys at the plant are punching the clock
If they could see us darlin', oh, what a shock
They'd do the same if they had what I got
So please don't stop.
Well I....

Ain't got no business doin' business today
My little woman wants to stay home and play
Right in her arms is where I will stay
'Cause I ain't got no business doin' business today.

Well I,
Ain't got no business doin' business today
My little woman wants to stay home and play
Right in her arms is where I will stay
'Cause I ain't got no business doin' business today.
