Louisiana Moon

There's a full moon risin' Comin' up behind them cypress trees Betty Jo ain't wearin' nothin' 'round her body But a cool night breeze

Her daddy warned me Boy, don't come 'round here no more But here I am knockin' On sweet Betty's door

Louisiana moon Done cast it's spell on me (Yeah) Louisiana moon Makes a man do crazy things

We slipped off to a place In the swamp where nobody goes Down by the water Where the snakes and the alligator's play

Nobody follows 'Cause there's evil in there Uh, I ain't scared of nothin' When I'm holdin' Betty tight

Louisiana moon Done cast it's spell on me (Yeah) Louisiana moon Makes a man do crazy things

I can't stay away 'Cause I love the thrill If the gator's don't get me Her daddy will

Louisiana moon Done cast it's spell on me (Yeah, oh yeah, yeah) Louisiana moon Makes a man do crazy things (Yeah)

Louisiana moon Done cast it's spell on me (Yeah) Louisiana moon Makes a man do crazy, crazy things (Oh)

Louisiana moon Done cast it's spell on me (Yeah) Louisiana moon Makes a man do crazy, crazy, crazy things Alabama
