

My Love Belongs To You

Alabama

My nights belong to the sandman
'Cause I sure like a dream
My morning's belong to the wild-woods
'Cause I like to hear birds sing

My soul belongs to Heaven
My feet belong to my shoes
Oh but, baby, my love belongs to you

My thoughts belong on tomorrow
'Cause today is all but gone
My memories belong on yesterday
'Cause I like to recall

My wishes belong upon a star
'Cause I believe they come true
But, baby, my love belongs to you

My love belongs to you
You and only you
These words are my heart talking
Believe me, girl, they're true

Oh my wishes belong upon a star
'Cause I believe they come true
Oh but my, baby, you know my love belongs to you
But, baby, my love belongs to you
