

# Lose Ourselves

Alain Clark

Hey baby  
I've been looking at you, babe  
There ain't no doubt about it  
You've been checking me out now  
Unless I'm wrong about it  
I thought that I saw something in your eyes  
That was trying to say  
Take my fine ass out of this place  
I wanna get away!  
Baby, with you  
And it doesn't even matter where  
Baby, with you  
As long as there ain't nobody there  
I bet you tonight you and I  
Are gonna find some place good to hide  
Let's get lost and lose ourselves tonight  
You've been looking around, babe  
Just to see if you were crazy  
But I've been checking you out, girl  
Noticed your smiling face  
When I saw that you saw, baby  
What my eyes were trying to say  
I wanna take you out of this place  
I wanna get away!  
Baby, with you  
And it doesn't even matter where  
Baby, with you  
As long as there ain't nobody there  
I bet you tonight you and I  
Are gonna find some place good to hide  
Let's get lost and lose ourselves tonight  
Girl, we could be holding the time  
Out of this world  
I wanna fly  
Baby, with you  
And it doesn't even matter where  
Baby, with you  
As long as there ain't nobody there  
I bet you tonight you and I  
Are gonna find some place good to hide  
Let's get lost and lose ourselves tonight  
Let's get lost  
Let's get lost  
Let's get lost and lose ourselves  
Let's get lost  
Let's get lost  
Let's get lost and lose ourselves  
Let's get lost  
Let's get lost  
Let's get lost and lose ourselves  
I bet you tonight, girl, you and I  
Are gonna find some place good to hide  
Let's get lost and lose ourselves  
Let's get lost and lose ourselves  
Let's get lost and lose ourselves tonight
