

My Arms

Alain Clark

(Verse)

When your heart is lone
And the wait is on your shoulders
Don't put on a show
Come, baby, hand it over!

(Chorus)

My arms, my arms
Your hope is in my arms
My arms, my arms
Your hope is in my arms

(Verse)

When you're cold at night
And you need someone to hold you
When the road is out of sight
Girl, you know just where to go to

(Chorus)

My arms, my arms
Your hope is in my arms
My arms, my arms
Your hope is in my arms

(Bridge)

Baby, where you are, warm and safe
Baby, where my love waits
Unconditionally waits for you

(Chorus)

My arms, my arms
Your hope is in my arms
My arms, my arms
Your hope is in my arms
