

# This Ain't Gonna Work

Alain Clark

No sign of improving  
we're like a song  
that just ain't grooving

Oh, the harder we try  
the more it seems  
that it's just not right

Ooh, baby, this ain't gonna work  
(baby, baby, this ain't gonna work)  
Ooh, baby, this ain't gonna work  
(baby, baby, this ain't gonna work)

Girl, we got to make some changes  
we share the same bed  
but we're living like strangers

Oh, I'm sure we get by  
but if it ain't true  
then we're living, we living a lie

Ooh, baby, this ain't gonna work  
(baby, baby, this ain't gonna work)  
Ooh, baby, this ain't gonna work  
(baby, baby, this ain't gonna work)

Oh, it is up to you and me  
but why aren't we dancing  
yeah yeah

Oh, I wish the powers that be  
would work on a way  
but that ain't like it is today

Solo:

Oh, and I am really trying to feel you, girl  
I really wanna want you, baby  
I'm not trying to leave you, girl  
but how am I going to stay, when...

Ooh, baby, this ain't gonna work,  
(baby, baby, this ain't gonna work), you know  
Ooh, baby, this ain't gonna work  
(baby, baby, this ain't gonna work)
