This Ain't Gonna Work

Alain Clark

No sign of improving we're like a song that just ain't grooving

Oh, the harder we try the more it seems that it's just not right

Ooh, baby, this ain't gonna work (baby, baby, this ain't gonna work) Ooh, baby, this ain't gonna work (baby, baby, this ain't gonna work)

Girl, we got to make some changes we share the same bed but we're living like strangers

Oh, I'm sure we get by but if it ain't true then we're living, we living a lie

Ooh, baby, this ain't gonna work (baby, baby, this ain't gonna work) Ooh, baby, this ain't gonna work (baby, baby, this ain't gonna work)

Oh, it is up to you and me but why aren't we dancing yeah yeah

Oh, I wish the powers that be would work on a way but that ain't like it is today Solo:

Oh, and I am really trying to feel you, girl I really wanna want you, baby I'm not trying to leave you, girl but how am I going to stay, when...

Ooh, baby, this ain't gonna work, (baby, baby, this ain't gonna work), you know Ooh, baby, this ain't gonna work (baby, baby, this ain't gonna work)
