

# Mama

Alaine

You gave me life  
And taught me how to live it  
And how to crawl  
How to walk, how to run  
You gave me love  
And taught me how to give  
And made me believe I could fly

And everything you did for me  
You did it all the way  
Never held back anything  
With open arms you help me,  
Kept me safe  
Dried every tear from my eye  
And so I dedicate my life to you  
To always make you proud (always make you proud)  
And everyday I wake  
I pray that God will keep you safe and sound

Mama, you are the one that I sing to  
The one that I cling to  
The love that's brought me through

Mama, you are my shoulder to lean on  
The love that's kept being strong  
Your love will carry on

Mama, you shining light  
Down the dark nights  
Helped me with my whole life  
Made everything alright

I am blessed because you are my... Mama

And even when I made mistakes  
You never leave me you  
Are there to comfort me  
Some how you always find a way  
To make everything okay  
And when I didn't know  
Which road to take  
You told me to follow my dreams  
I am all that I am today  
Because of your faith in me  
And so I dedicate my life to you  
To always make you proud (always make you proud)  
And everyday I wake  
I pray that God will keep you safe and sound  
And I am all so grateful for  
The love you gave unconditionally

Everything you are is who I hope to be

Mama, you are the one that I sing to  
The one that I cling to  
The love that's brought me through

Mama, you are my shoulder to lean on  
The love that's kept on being strong  
Your love will carry on

Mama, you shining light  
Down the dark nights  
Helped me with my whole life  
Made everything alright

I am bless because you are my... Mama
