

Without You

Alaine

I could not make it
Make it without you (no, no, no, no, no, no)
I could not make it
Make it without you-ooo-oo
Wooo wooo woo
Hooo...

Me cuda neva, eva, eva make it without you
Me, me, me, cud neva make it without you
Me cuda, cuda, cuda, cuda neva make it without you
Make it without you
Me cuda neva, eva, eva make it without you
Me, me, me, cud neva make it without you
Me cuda, cuda, cuda, cuda neva make it without you
Make it without you

Hey, you
Baby come back
I never wanted you to go nowhere
Baby come back here
I know you're with her
And I am with him
But let's forget about them
And start all over again
Cause me without you makes no sense
And you don't need nobody else

Me cuda neva, eva, eva make it without you
Me, me, me, cud neva make it without you
Me cuda, cuda, cuda, cuda neva make it without you
Make it without you
Me cuda neva, eva, eva make it without you
Me, me, me, cud neva make it without you
Me cuda, cuda, cuda, cuda neva make it without you
Make it without you

It's so real what they say
You never miss di wata til di well run dry
It's all revealed in time
Cause baby I need
Need you so bad
Noway to love I'll ever have
And I can't breathe without my heart
That's how it feels when we're apart

Me cuda neva, eva, eva make it without you
Me, me, me, cud neva make it without you
Me cuda, cuda, cuda, cuda neva make it without you
Make it without you
Me cuda neva, eva, eva make it without you
Me, me, me, cud neva make it without you
Me cuda, cuda, cuda, cuda neva make it without you
Make it without you

Me cuda neva breathe
Cuda neva sleep
Cuda neva eat

Cuda neva be without
Me cuda neva walk
Cuda neva talk
Cuda neva ah ah ah without you
So many reasons (reasons why)
Why baby I need you
And I can not make it
Make it without you (wooo woo woo wooo)

Me cuda neva, eva, eva make it without you
Me, me, me, cud neva make it without you
Me cuda, cuda, cuda, cuda neva make it without you
Make it without you
Me cuda neva, eva, eva make it without you
Me, me, me, cud neva make it without you
Me cuda, cuda, cuda, cuda neva make it without you
Make it without you

Me cuda neva neva neva
Make it without you
Don Corleon,
Don Corleon,
Me cuda neva neva neva
Make it without you
