

## As Lovely As You

Alan Jackson

A big moon is risin'  
So bright in the sky  
But it won't shine brighter  
Than the stars in your eyes

It rises above me  
So bright and so blue  
And I won't see anyone  
As lovely as you

Take me into the night  
Pass these lonely dreams  
in my heart  
I love you  
More than I can show you  
More than I can know in my heart

So lay down beside me  
And hold me tonight  
For your love has found me  
And it feels so right

These thoughts in my mind  
Are so scattered and few  
But I won't see anyone  
As lovely as you

Take me into the night  
Pass these lonely dreams  
in my heart  
I love you  
More than I can show you  
More than I can know in my heart  
In my heart
