

# Kiss an Angel Good Mornin'

Alan Jackson

Whenever a chance to meet  
Some old friends on the street  
They wonder how does a man  
Get to be this way  
I always got a smiling face  
Any time and any place  
And everytime they ask me why  
I just smile and say

You've got to kiss angel good mornin'  
And let her know you think  
About her when your gone  
So kiss an angel good mornin'  
And love her like the devil  
When you get back home

Now people may try to guess  
The secret of happeniness  
Some of them never learn  
It's a simple thing  
The secret I'm speaking of  
Is a woman and a man in love  
And the anwser is in this song  
That I always sing

You got to kiss an angel good mornin'  
And let her know you think  
About her when your gone  
So kiss an angel good mornin'  
And love her like the devil  
When you get back home

Kiss an angel good mornin'  
And let her know you think  
About her when your gone  
So kiss an angel good mornin'  
And love her like the devil  
When you get back home...
