## She Just Started Liking Cheatin' Songs

**Alan Jackson** 

She just started liking cheatin' songs And what's botherin' me I don't know if its the cheatin' she likes Or just the melody

I've never had any reason to doubt her As far as I know she's been true But lately she's had a different look in her eyes I wonder if she's seein somebody new

You can't blame a body for lookin' When there's a world of people out there But I hope that she's not takin any closer looks I tell ya lately frankly I've been scared

Cuz, she just started liking cheatin' songs And what's botherin' me I don't know if its the cheatin' she likes Or just the melody

I've got to admit I do some looking, too But she's the only one I love She still tells me she loves me But I wonder if my love's enough

Cuz, she just started liking cheatin' songs And what's botherin' me I don't know if its the cheatin' she likes Or just the melody

Yeah, she just started liking cheatin' songs And what's botherin' me I don't know if its the cheatin' she likes Or just the melody

Yeah, I don't know if its the cheatin' she likes or just the melody...
