

Till the End

Alan Jackson

If I never see your loving face again
I'll go on loving you 'till the end
And if my broken-hearted love dont find a way to mend
I'll go on loving you 'till the end
The years and miles may separate you from me
The pain may lessen more as time goes by
But as for me your memories will never fade
And I'll go on loving you 'till the end
If we're ever free to love again I know
Straight back to your waiting arms is where I'll go
And I'll stay forever and I'll prove to you again
I'll go on loving you 'till the end
And I'll go on loving you 'till the end
