Tonight I Climbed the Wall

Alan Jackson

Our room was filled with silence I guess we'd said it all I don't when I'd seen our bedroom So long I can't recall

We'd built this thing between us I'm not sure what's the cause So I sallowed all my pride And tonight I climbed the wall

Tonight I climbed the wall
And took her by the hand
We'd come too far to fall
Couldn't stand to see it end
So tonight I climbed the wall

Makin' love is so much sweeter When you love the one you hold After all these years of holdin her You'd think by now I'd know

Now as we lie here together All our troubles seem so small Just these satin sheets between us Cause tonight I climbed the wall

Tonight I climbed the wall
And took her by the hand
We'd come too far to fall
Couldn't stand to see it end
So tonight I climbed the wall

Tonight I climbed the wall Tonight I climbed the wall
