

Wait a Minute

Alan Jackson

R: Wait a minute
did I hear you say you're going far away again
Try to change it
I can't take the lonely nights without your love

Doing the road get the music done and move along
What good does it do play your songs for her and hear her say

R:

You're rolling along life's been good to you and even so
She comes to you late at night's the time you hear her say
once again

R:

I'm waiting for you thirty days and nights without a rest
I got to hold on twenty five to go and once again I'll hear you
say

R:
