

# You Go Your Way

Alan Jackson

All your pretty bags are packed  
Forever sure did go by fast  
I hope you find the skies are blue  
The grass is green and the road is smooth

You go your way, c'est la vie sweet baby  
Here's hoping that you don't hate me  
Who knows you might just maybe miss me out there  
It ain't about who's right or wrong  
Love Dies and life goes on  
Had a good thing but now it's long gone baby  
You go your way and I'll go crazy

I poured some bourbon in a coffee cup  
it's been too long since I drank too much  
so here's to me and here's to the moon  
And here's to love that ends too soon

You go your way, c'est la vie sweet baby  
Here's hoping that you don't hate me  
Who knows you might just maybe miss me out there  
It ain't about who's right or wrong  
Love Dies and life goes on  
Had a good thing but now it's long gone baby  
You go your way and I'll go crazy

Yeah it ain't about who's right or wrong  
Love dies and life goes on  
Had a good thing but now it's long gone baby  
you go your way and I'll go crazy  
I'll go crazy
