

God Bless Us Everyone

Alan Menken

Let the stars in the sky
Remind us of man's compassion
Let us love till we die and
God Bless us everyone

In your heart there's a light
As bright as a star in heaven
Let it shine through the night and
God bless us everyone

Till each child is fed,
Till all men are free,
Till the world becomes a family

Star by star in the sky and
Kindness by human kindness
Light this world with your love and
God bless us everyone

Till each child is fed,
Till all men are free,
Till the world becomes a family

Let the stars in the sky
Remind us of man's compassion
Let us love till we die and
God Bless us everyone
