

# With One Word (House Of Cards)

Alana Grace

I'm scared of being no one  
For the rest of my life  
I'm scared of saying nothing with something  
If I let you inside

I'm scared of the future  
Because I have no control  
So I don't ask the questions  
'Cuz I don't want the answers  
Yeah some things I don't need to know

'Cuz I feel like  
A full house of cards  
Imperfect, inconsistent  
With holes in the basement  
I feel like  
A full house of cards  
With the world on my shoulders  
With one word you blow my house down

I'm standing in the corner  
Frozen in time  
I've forgotten how I got here it's been so long  
My life's passing by

Without me

If I don't wake up  
Before it's too late  
Well, I hope you'll forgive me  
I hope you'll stand with me  
'Cuz one day this dam's gonna break

'Cuz I feel like  
A full house of cards  
Imperfect, inconsistent  
With holes in the basement  
I feel like  
A full house of cards  
With the world on my shoulders  
With one word you blow my house down

Down, down  
I'm falling down  
Down, down

I feel like  
A full house of cards  
Imperfect, inconsistent  
With holes in the basement  
I feel like  
A full house of cards  
Imperfect, inconsistent  
With holes in the basement  
I feel like  
A full house of cards  
With the world on my shoulders

With one word you blow my house down

Down, down  
I'm falling down  
Down, down

With one word you blow my house down  
Blow my house down

With one word you blow my house down
