

## (Change Is) Never a Waste of Time

Alanis Morissette

I know there's a reason you're forcing a smile  
You hide what you're feeling and you have for a while  
I can tell that you're falling  
And you feel that you can't go on  
But a new day is calling  
And you'll see that the feeling is gone

You know you're not the only one  
Who has a lot to overcome  
And when the time has come then you move on  
'Cause you've been crying for too long  
Sometimes life is so unkind  
But change is never a waste of time

I know how you're feeling, I've been there before  
The hurting is something much too strong to ignore  
Don't be waiting for someone  
Who can take all your fear away  
When there's no one to listen  
That is when you should not be afraid

You know you're not the only one  
Who has a lot to overcome  
And when the time has come then you move on  
'Cause you've been crying for too long  
Sometimes life is so unkind  
But change is never a waste of time

But change is never a waste... it's never a waste of time
