

# Everything

Alanis Morissette

I can be an asshole of the grandest kind  
I can withhold like it's going out of style  
I can be the moodiest baby and you've never met anyone  
Who is as negative as I am sometimes

I am the wisest woman you've ever met.  
I am the kindest soul with whom you've connected.  
I have the bravest heart that you've ever seen  
And you've never met anyone  
Who's as positive as I am sometimes.

You see everything, you see every part  
You see all my light and you love my dark  
You dig everything of which I'm ashamed  
There's not anything to which you can't relate  
And you're still here

I blame everyone else, not my own partaking  
My passive-aggressiveness can be devastating  
I'm terrified and mistrusting  
And you've never met anyone as,  
As closed down as I am sometimes.

You see everything, you see every part  
You see all my light and you love my dark  
You dig everything of which I'm ashamed  
There's not anything to which you can't relate  
And you're still here

What I resist, persists, and speaks louder than I know  
What I resist, you love, no matter how low or high I go

I'm the funniest woman that you've ever known  
I'm the dullest woman that you've ever known  
I'm the most gorgeous woman that you've ever known  
And you've never met anyone  
Who is as everything as I am sometimes

You see everything (you see everything), you see every part (you see every part )  
You see all my light (you see all my light) and you love my dark (and you love my dark )  
You dig everything (you dig everything) of which I'm ashamed (of which I'm ashamed)  
There's not anything (there's not anything) to which you can't relate (to which you can't relate)  
And you're still here

(You see everything, you see every part)  
And you're still here  
(You see all my light and you love my dark)  
And you're still here  
(You dig everything of which I'm ashamed)  
(There's not anything to which you can't relate)  
And you're still here...
