

# Fate Stay With Me

Alanis Morissette

Oh, Please  
Fate stay with me, and guide me along my way  
There has been so many problems  
So please stay, please, stay  
Fate stay with me, will you help me on my way  
Will you end my troubles  
Will you please stay, please...

I wanted money and hope and  
A dream to carry me forever  
This is all the hope I got left  
Help me to get it together, now  
I can sing or act or dance but I still won't get far  
Unless you help me please to be a big star

Oh, Please  
Fate stay with me, and guide me along my way  
There has been so many problems  
So please stay, please, stay  
Fate stay with me, will you help me on my way  
Will you end my troubles  
Will you please stay, please...

I don't want to be a queen, no,  
Or a princess with all my jewels, oh  
If you could guide me  
And you could help me  
but don't go too far, I just want to be a star

Oh, Please  
Fate stay with me, and guide me along my way  
There has been so many problems  
So please stay, please, stay  
Fate stay with me, will you help me on my way  
Will you end my troubles  
Will you please stay, please...

Yes guide me  
Forever guide me  
Will you stay with me and guide me along the way  
If I succeed because of you, fate my friend  
I'll be so happy

Oh, Please  
Fate stay with me, and guide me along my way  
There has been so many problems  
So please stay, please, stay  
Fate stay with me, will you help me on my way  
Will you end my troubles  
Will you please stay, please...
