

Head Over Feet

Alanis Morissette

I had no choice but to hear you
You stated your case time and again
I thought about it

You treat me like I'm a princess
I'm not used to liking that
You ask how my day was

R: You've already won me over in spite of me
Don't be alarmed if I fall head over feet
Don't be surprised if I love you for all that you are
I couldn't help it
It's all your fault

Your love is thick and it swallowed me whole
You're so much braver than I gave you credit for
That's not lip service

R: You've already won me...

You are the bearer of unconditional things
You held your breath and the door for me
Thanks for your patience

harmonica solo

You're the best listened that I've ever met
You're my best friend
Best friend with benefits
What took me so long

I've never felt this healthy before
I've never wanted something rational
I am aware now
I am aware now

R: You've already won me...
