Jealous

Alanis Morissette

Make sure she's alright She just can't wait to party She'll make it look so easy Why won't you listen to me Yeah

Jealousy-some girls have it rough oh baby Loyalty-why is that so tough, the trust is gone

Jealous don't you know your girl is jealous She can't help but be suspicious Can't you see, that girl is jealous So better make it right

Cruelty-it's easy for him to be Fallacy-you're out on a limb for him

Conspiracy Anxiety she just can't wait to party Strategy totally she'll make it look so easy Loyalty disagree why won't you listen to me Fantasy Novelty she will be free

Jealous don't you know your girl is jealous She can't help but be suspicious Can't you see, that girl is jealous So better make it right

Jealous-it's no fallacy Jealous-she doesn't trust you much Suspicious-so baby can't you see that girl don't trust you much make sure she's alright

Jealous don't you know your girl is jealous She can't help but be suspicious Can't you see, that girl is jealous So better make it right
