

# Out Is Through

Alanis Morissette

1. Every time you raise your voice I see the greener grass  
Every time you run for cover I see this pasture  
Every time we're in a funk I picture a different choice  
Anytime we're in a rut, this distant grandeur

My tendency to want to do away feels natural  
my urgency to dream of softer places feels understandable but I know

R: The only way out is through  
The faster we're in the better  
The only way out is through ultimately  
The only way out is through  
The only way we'll feel better  
The only way out is through ultimately

2. Every time that I'm confused I think there must be easier ways  
Every time our horns are locked I'm towel throwing  
Every time we're at a loss we've bolted from difficulty  
Anytime we're in stalemate, a final bowing

My tendency to want to hide away feels easier  
The immediacy of picturing another place, comforting to go but I know

R: The only way out...

\*: We could just walk away and hide our heads in the sand  
We could just call it quits only to start all over again, with  
somebody else

3. Every time we're stuck in struggle I'm down for the count that day  
Every time I dream of quick fix I'm assuaged  
Now I know it's hard when it's through and I'm damned if I  
don't, no quick fix way  
What formerly was treatment silent's now outdated

My tendency to want to run feels unnatural now  
The urgency to want to give to you what I want most feels good and I know

R: The only way out... (2x)
