

Still

Alanis Morissette

I am the harm which you inflict.
I am your brilliance and frustration.
I'm the nuclear bombs if they're to hit.
I am your immaturity and your indignance.
I am your misfits and your praised.
I am your doubt and your conviction.
I am your charity and your rape.
I am your grasping and expectation.

I see you averting your glances.
I see you cheering on the war.
I see you ignoring your children,
And I love you still.
And I love you still.

I am your joy and your regret.
I am your fury and your elation.
I am your yearning and your sweat.
I am your faithless and your religion.

I see you altering history.
I see you abusing the land.
I see you, your selective amnesia,
And I love you still.
And I love you still.

Haaaaaaaahh
I see you averting your glimpses.
I see you cheering on the war.
I see you ignoring your children,
And I love you still.
And I love you still.
I see you altering history.
I see you abusing the land.
I see you, your selective amnesia,
I love you still.
And I love you still.

I am your tragedy and your fortune.
I am your crisis and delight.
I am your profits and your prophets.
I am your art, I am your vice.
I am your death and your decisions.
I am your passion and your plight.
I am your sickness and convalescence.
I am your weapons and your light.

I see you holding your grudges.
I see you gunning them down.
I see you silencing your sisters,
And I love you still.
And I love you still.
I see you lie to your country.
I see you forcing them out.
I see you blaming each other,
And I love you still.
And I love you still.

Haaaaaaaahh

I see you holding your grudges.

I see you gunning them down.

I see you silencing your sisters,

I love you still.

I love you still.

I see you lie to your country.

I see you forcing them out.

I see you blaming each other.

I love you still.

I love you still.

I see you.
