

# Straitjacket

Alanis Morissette

Something so benign  
For construed as cruelty  
Such a difference between  
Who I am and who you see

Conclusions you come to of me  
Routinely incorrect  
I don't know who you're talking to  
With such fucking disrespect

This shit's making me crazy  
The way you nullify what's in my head  
You say one thing do another  
And argue that's not what you did  
Your way's making me mental  
How you filter as skewed interpret  
I swear you won't be happy til  
I am bound in a straitjacket

Talking with you's like talking  
To a sieve that can't hear me  
You fight me tooth and nail  
To disavow what's happening

Your resistance to a mirror  
I feel screaming from your body  
One day I'll introduce myself  
And you'll see you've not yet met me

This shit's making me crazy  
The way you nullify what's in my head  
You say one thing do another  
And argue that's not what you did  
Your way's making me mental  
How you filter as skewed interpret  
I swear you won't be happy til  
I am bound in a straitjacket

Grand dissonance  
The strings of my puppet are cut  
The end of an era  
Your discrediting's lost my consent

This shit's making me crazy  
The way you nullify what's in my head  
You say one thing do another  
And argue that's not what you did  
Your way's making me mental  
How you filter as skewed interpret  
I swear you won't be happy til  
I am bound in a straitjacket
