

## Tapes

Alanis Morissette

I am someone easy to leave  
Even easier to forget  
A voice, if inaccurate

Again, I'm the one they all run from  
Diatribes of clouded sun  
Someone help me find the pause button

All these tapes in my head swirl around  
Keeping my vibe down  
All these thoughts in my head aren't my own  
Wreaking havoc

I'm too exhausting to be loved  
A volatile chemical  
Best to quarantine and cut off

All these tapes in my head swirl around  
Keeping my vibe down  
All these thoughts in my head aren't my own  
Wreaking havoc

All these tapes in my head swirl around  
Keeping my vibe down  
All these thoughts in my head aren't my own  
Wreaking havoc

I'm a thorn in your sweet side  
You are better off without me  
It'd be best to leave at once

All these tapes in my head swirl around  
Keeping my vibe down  
All these thoughts in my head aren't my own  
Wreaking havoc
