## Thank U

## **Alanis Morissette**

how bout getting off all these antibiotics how bout stopping eating when I'm full up how bout them transparent dangling carrots how bout that ever elusive kudo

thank you india
thank you terror
thank you disillusionment
thank you frailty
thank you consequence
thank you thank you silence

how bout me not blaming you for everything how bout me enjoying the moment for once how bout how good it feels to finally forgive you how bout grieving it all one at a time

thank you india
thank you terror
thank you disillusionment
thank you frailty
thank you consequence
thank you thank you silence

the moment I let go of it was the moment I got more than I could handle the moment I jumped off of it was the moment I touched down

how bout no longer being masochistic how bout remembering your divinity how bout unabashedly bawling your eyes out how bout not equating death with stopping

thank you india
thank you providence
thank you disillusionment
thank you nothingness
thank you clarity
thank you thank you silence
