

# The Time of Your Life

Alanis Morissette

Standing there on a road that leads to anywhere  
Like a child left in the wilderness, standing there penniless  
Wanting to be the best

Here's a place where life runs at a different pace  
Where love is just convenient, none are obedient  
And we are subservient

Look at me, I'm a girl that some may preconceive  
Why do they try and generalize, why are they antagonizing me  
But something I can't control that...

I Wantcha  
You know I'll never stop 'til I've gotcha  
You'll never be quite the same when I rock ya  
I'm not the kind of girl that you thought I was  
You'll have a good time 'cause I wantcha  
I'm breaking down the walls 'till I have you, feel you  
Show you the time of your life

Here we are and I wonder how we've come this far  
In a world that does not recognize women are victimized  
What does that symbolize

Why do I want the things I usually criticize  
It may be self destructiveness, or maybe it's emptiness inside  
But something I can't control that...

I Wantcha  
You know I'll never stop 'til I've gotcha  
You'll never be quite the same when I rock ya  
I'm not the kind of girl that you thought I was  
You'll have a good time 'cause I wantcha  
I'm breaking down the walls 'till I have you, feel you  
Show you the time of your life

You'll have a good time...  
It's a lonely road, and no one knows the way that I feel  
I'm not giving up now... I'll never try to justify  
They'll never understand, you'll be a happy man  
You'll have the time of your life

It's something, it's something, it's something that I can't control  
The time of your life...
