Underneath

Alanis Morissette

Look at us break our bonds in this kitchen Look at us rallying all our defenses Look at us waging war in our bedroom Look at us jumping ship in our dialogues

There is no difference in what we're doing in here That doesn't show up as bigger symptoms out there So why spend all our time in dressing our bandages When we've the ultimate key to the cause right here, our undern eath

Look at us our form our cliques in our sandbox Look at us micro kids with both our hearts blocked Look at us turn away from all the rough spots Look at dictatorship on my own block

There is no difference in what we're doing in here That doesn't show up as bigger symptoms out there So why spend all our time in dressing our bandages When we've the ultimate key to the cause right here, our undern eath

How I've spun my wheels with carts before my horse When shine on the outside springs from the root Spotlight on these seeds of simpler reasons This core, born into form, starts in our living room

There is no difference in what we're doing in here That doesn't show up as bigger symptoms out there So why spend all our time in dressing our bandages When we've the ultimate key to the cause right here, our undern eath
