Dear Matthew, I like you a lot, I realize that you're in a relationship with someone right now and I respect that. I would like you to know that if you're ever single in the future and you want to come visit me in California, I would be open to spending time with you and finding out how old you were when you wrote you first song.

Dear Jonathan, I liked you too much, I used to be attracted to boys who would lie to me and think solely about themselves, and you were plenty self destructive for my taste at the time, I used to say the mo re tragic the better, the truth is whenever I think of the early 9 0's your face comes up with a vengeance like it was yesterday.

Dear Terrance, I love you muchly, you've been nothing but open hearted and emotionally available and supportive and nurturing and cons ummately there for me, I kept drawing you in and pushing you away, I rem ember how beautiful it was to fall asleep on you couch and cry in fro nt of you for the first time, you were the best platform from which t o jump beyond myself, what was wrong with me.

Dear Marcus, you rocked my world, you had a charismatic way abo ut you with the women and you got me seriously thinking about spiritua lity and you wouldn't let me get away with kicking my own ass but I coul d never really get relaxed and looked out for around you though and tha t stopped us from going any further than we did and it's kinda to o bad because we could've had much more fun.

Dear Lou, we learned so much, I realize we won't be able to tal k for some time and I understand that as I do you the long distance t hing was the hardest and we did as well as we could. We were together d uring a very tumultuous time in our lives I will always have your back and be curious about you, about your career, your whereabouts.
