

1. We'd gather around all in a room
fasten our belts engage in dialogue
we'd all slow down rest without guilt
not lie without fear disagree sans judgement

We would stay and respond and expand and include
and allow and forgive and
enjoy and evolve and discern and inquire and accept
and admit and divulge and open and reach out and speak up

R: This is utopia this is my utopia
This is my ideal my end in sight
Utopia this is my utopia
This is my nirvana
My ultimate

2. We'd open our arms we'd all jump in we'd all
coast down into safety nets
We would share and listen and support and welcome
be propelled by passion not invest in outcomes
we would breathe and be charmed and amused by difference
be gentle and make room for every emotion

R: This is utopia...

3. We'd provide forums
we'd all speak out
we'd all be heard
we'd all feel seen

We'd rise post-obstacle more defined more grateful
we would heal be humbled and be unstoppable
we'd hold close and let go and know when to do which
we'd release and disarm and stand up and feel safe

R: This is utopia...
