

You Learn

Alanis Morissette

1. I recommend getting your heart trampled on to anyone
I recommend walking around naked in your living room
Swallow it down (what a jagged little pill)
It feels so good (swimming in your stomach)
Wait until the dust settles

R: You live you learn
You love you learn
You cry you learn
You lose you learn
You bleed you learn
You scream you learn

2. I recommend biting off more than you can chew I certainly do
I recommend sticking your foot in your mouth at any time feel free
Throw it down (the caution blocks you from the wind)
Hold it up (to the rays)
You wait and see when the smoke clears

R: You live you learn...

H C# G# (8x)

*: Wear it out the way a three year old would do
Melt it down you're gonna have to eventually anyway
The fire trucks are coming up around the bend

R: You live you learn...

You grieve you learn
You choke you learn
You laugh you learn
You choose you learn
You pray you learn
You ask you learn
You live you learn
