Sally Go Round The Roses

Alannah Myles

Sally go round the roses Sally go round the roses

The roses they can't hurt you I know the roses they can't hurt you

Sally don't you go, don't you go downtown Sally don't you go, don't you go downtown The saddest thing in the whole wide world Is to see your baby with another girl Sally don't you go, don't you go downtown

Sally go round the roses Sally go round the roses Sally go round the roses Sally go round the roses
