

## Inertial Grind

Alarum

Ever looking knowing why  
Of a wider world  
Natural wealth beyond yourself  
Awaits inside to find

A temple of the sky  
I break these chains  
Now I...

Fly  
Breath takes me far away  
From the daily grind

Now I feel time is calling  
Motionless and free  
An ocean of illusion  
Waits inside of me

A temple of the sky  
I break these chains  
Now I...

Fly  
Breath takes me far away  
From inertial tides

Inertial grind

See, upon your mind as like a tree  
Far from ground  
Deny, ways of life  
Simplicity will resolve

Inertial grind

Breathe, for your time has come to see  
Past undone  
Survive, as intended by the light  
Of the sun
