

# Blue Monday Hangover

Albert Collins

Well, the first thing Monday mornin', I drink black coffee, to  
clear my head  
Yes, every Monday mornin', I drink black coffee, an a-  
clear my head  
Because, ev'ry Sunday night without you, baby, it's Blue Monday  
, you know baby, you know my soul is dead

Big Boss Man, I can hear you call my name, yes, Big Boss Man, B  
ig Boss Man  
Oh, I can hear you call my name  
You know, I just don't feel like it this mornin', baby, it's a  
sin, you know ain't it a sin?

Hey!

I can hear Blue Monday callin', but this old hangover, just won  
't let me go  
Yes, I can hear Blue Monday callin', but this old hangover, jus  
t won't let me go  
Yes, but ev'ry time I try to get up, baby, I feel like I'm just  
goin' down slow
