

# Head Rag

Albert Collins

Here she come, yeah, with that head rag on  
There she go, yeah, with that head rag on  
Here she come, with that head rag on

If you're walkin' down the street, wavin', ev'rybody see me  
Sayin' "hello there", walkin' in her stockin' feet  
Here she comes, ooo, with that head rag on

Stayin' out all night long

Talkin' 'bout anything

Doin' ev'rything wrong, girl, oh oh

Here she come, yeah, that head rag on  
There she goes, yeah yeah, with her head rag on  
Here she come, with that head rag on

Eeow!
