

# Hooked On You

Albert Collins

Don't you do it  
Lordy so good like that  
Don't you do it  
Gimme all you got like that

Don't you do it  
My temperature's shot so high  
Don't you do it  
My senses is so alive

Mercy, mercy I'm a lonely man  
Burn all night when the fires fanned

I'm goin' hooked on you  
Hooked on you  
A hooked on you  
I'm goin' hooked on you

Don't you tease  
Gimme somethin' to hold on tight  
Won't you please  
I ain't lookin' for just one night

Won't ya please  
I want ya to please some more  
Don't ya tease  
Then I'll never let ya go out that door

Mercy, mercy I'm a lonely man  
Burn all night when the fires fanned

I'm goin' hooked on you  
I'm goin' hooked on you  
Goin' hooked on you  
I'm goin' hooked on you

Ow baby, I'm so hot with desire  
Don't you tease, how long, huh  
I'm gettin' higher an' higher  
Treat you good

Ow, I might scream for more  
Once I get you home  
And I'll never let you go

Mercy, mercy, I'm a lonely man  
Burn all night when the fires fanned

I'm goin' hooked on you  
I'm goin' hooked on you  
I'm goin' hooked on you  
I'm goin' hooked on you, ow
