If You Love Me Like You Say

Albert Collins

If you love me like you say
Why you treat me like you do?
If you love me like you say, baby
Why you treat me like you do?

Well, I ain't no fool
I'm cool, I know the rule

Said ya'd never run around
Said ya'd never stay out late
Said ya'd never run around, baby
Said ya'd never stay out late

Let me tell ya pretty baby
I've got to set ya straight

If you love me like ya say
Why you treat me like ya do?
If you love me like ya say, baby
Why you treat me like ya do?

Well, I ain't no fool
I'm cool, I know the rule

Hey

Said ya'd never run around
Said ya'd never stay out late
Said ya'd never run around, baby
Said ya'd never stay out late

Let me tell ya pretty baby
I've got to set ya straight

Why
Oh, let ya, set ya straight
Why
I'm cool, I know the rule
