

Put The Shoe On The Other Foot

Albert Collins

Put your shoe on the other foot
You can walk just like me
Put your shoe on another foot
You can walk just like me

Walkin' an' a talkin'
See an' feel a just like me

Put your hand in another glove
You can feel just like me
Put your hand in another glove
You can feel a just like me

Walkin' an' a talkin'
See an' feel a just like me

Put your shoes on, baby

Put your eye on another view
You can see just like me
Hey, put your eye on another view
You can see just like me

Walkin' an' a talkin'
See an' feel a just like me

Put your tongue on another word
You can talk just like me
Put your tongue on another word
You can talk just like me

Walkin' an' a talkin'
See an' feel a just like me

Whoa, whoa, whoa, ho
Always talkin' all the time
Whoa, whoa, whoa, ho
Walk on, baby

Walkin' an' a talkin'
See an' feel a just like me

Whoa, whoa, whoa ho
Ooh, ooh
