Put The Shoe On The Other Foot

Albert Collins

Put your shoe on the other foot You can walk just like me Put your shoe on another foot You can walk just like me

Walkin' an' a talkin' See an' feel a just like me

Put your hand in another glove You can feel just like me Put your hand in another glove You can feel a just like me

Walkin' an' a talkin' See an' feel a just like me

Put your shoes on, baby

Put your eye on another view You can see just like me Hey, put your eye on another view You can see just like me

Walkin' an' a talkin' See an' feel a just like me

Put your tongue on another word You can talk just like me Put your tongue on another word You can talk just like me

Walkin' an' a talkin' See an' feel a just like me

Whoa, whoa, whoa, ho Always talkin' all the time Whoa, whoa, whoa, ho Walk on, baby

Walkin' an' a talkin' See an' feel a just like me

Whoa, whoa, whoa ho Ooh, ooh
