

## 99 Miles from L.A.

Albert Hammond

Keeping my eyes on the road, I see you  
Keeping my hands on the wheel, I hold you  
99 miles from L.A.  
I kiss you, I miss you, please be there

Passing a white sandy beach, we're sailing  
Turning the radio on, we're dancing  
99 miles from L.A.  
I want you, I need you, please be there

The windshield is covered with rain, I'm crying  
Pressing my foot on the gas, I'm flying

Counting the telephone poles, I phone you  
Reading the signs on the road, I write you  
99 miles from L.A.  
We're laughing, we're loving, please be there

The windshield is covered with rain, I'm crying  
Pressing my foot on the gas, I'm flying

Counting the telephone poles, I phone you  
Reading the signs on the road, I write you  
99 miles from L.A.  
We're laughing, we're loving, please be there
